a year Fall, Winter,
Spring & Summer

Wow! What a year so far, and we still have much to do. Thank you fellow Lions, Lioness' and Leo's for all your hard work. You are doing Grrreat! I have thoroughly enjoyed all of the visits thus far and I look forward to visiting with the last few real soon. Thank you C/S Dick and to all the club secretaries and presidents for working with us to get this done.

I can't put into words the pride I feel each time I leave your club after a visit. When I hear about all the great things you are doing in your communities I just swell up and overflow with pride. I feel so fortunate to play a small part in what you do and thank you for allowing me to be your representative to the Multiple and International.

I have been asking you this year to increase your support of LCIF, City of Hope and our Operation Friendship. I am happy to report that there has been a significant increase in these areas, but we can't stop now. Your, "digging in your pockets", when I challenged you at the District Meeting was unbelievable and you donated or promised \$4,500 in just 15 minutes. That's the Lions of A-2! We are looking forward to our trip to the City of Hope on April 3rd and I know PDG Betty will be just as proud of you as I am when she presents our support.

Lion Christie and I had the opportunity to support Operation Friendship this year with our labor as well as our love. If you haven't been, then you are missing an opportunity to have 4 days of, "The moment I became a Lion". We all know when we were inducted into Lions, but it might have been months later when you grew your whiskers. I remember mine like it was yesterday, even though it was 20 years ago. At my first white cane day I had been a Lion for 5 months. A car stopped at the flashing red light downtown, I gave my best pitch as to who we were and what we were doing. The 40 something lady in the car said, "I know who you are, you gave me my first pair of glasses when I was 8 years old, and I was able to see the chalkboard for the first time". She dropped a \$20 dollar bill in my basket and as she drove away she said, "See you next year". I was hooked. Well, if you want a whole weekend of those moments join the fun in Ensenada. Congrats to the committee and a big thank you to all that attended.

One of a Governors highest honor is to induct and welcome new members into the club and our International organization. I have had the privilege to induct many new members, even a furry one at The Kings meeting. See the picture. Club presidents, thank you for allowing me that opportunity.

Let's have a little fun in Cayucos and then get back to the work we do so well. I'll ask you again, "Lions, Can You See Us Now?"
Proud to serve with you,
Gov. Craig

Our DG in action

1st VDG

Hello Lions Family.

I hope you are all doing well and you each enjoyed a much-deserved spring break and Easter vacation. There is so much I need to tell you, I don't know where to begin. So let me start with our convention. We will be having it again in Cayucos. If you have never been there. You really should go. I have been there several times and it is such a beautiful place on the coast. Other districts are now starting to take note of what we do over in Cayucos, everything from our growing food fairs to our banquets. This year, we will be having it from the 22nd to the 24th of April. So mark your calendars and join us in this important event. Last year, they had a dunk tank, which I was really not looking forward to this year and I'm happy that has now changed.

Our district governor has not told us what it has changed to, so I am still a little scared. The dunk tank was fun and it raised a lot of money but it was cold and when you dropped into the tank the backseat would hit you in the back so I had bruises for a few days so whenever I see a dunk tank I start a shiver.

The next event to mark on our calendars is our officers' training on 21st May. I am asking for all of the presidents of the clubs to get out there for a pre-presidents meeting, and try to put together a list of goals and membership plans, and forecasts for your club. I will be awarding all the club presidents who would attend this meeting. This will also be a good chance to meet your year of presidents within your district, region, and zone. Your class of presidents for the up-and-coming year can make your events even bigger for your club. It is my intent to work together with all the club presidents this coming term to strengthen our districts and clubs, and to have fun while we are doing it. The incoming district officers consisting of the region chairs, zone chairs, secretaries-treasurers and others will be having a retreat up at Bearskin Meadows camp so that we can start to shape the coming term. I'm hoping to have all of the goals and activities plans for both membership and leadership posted on our website and distributed through our newsletter so everyone would know the directions we are be moving towards to.

I have mentioned in the last newsletter that I wanted to get a historical book made of our district and I have picked a district historian to collect all the information and to start the organization this book so that it will be ready by 2020. Our hundredth year anniversary of our district, Kelby Hargraves, grandson of Herb Hargraves, was an International Director who helped form our district. He was our club secretary for the Fresno Host Lions Club and after his passing, his father took over and became secretary until he passed away. When he left that position vacant, our club's member, Bob Thomas took over as secretary. It is kind of funny when you think that when we turn 100 years old as a district and as a club, we only have had three secretaries in our club. Kelby Hargraves is a perfect choice to help start our district historical book for reasons that since he was a little child, he has been brought up knowing and going to Lions functions and watching his dad and grandfather build our district.

I believe that we need to improve on three things to improve our district. This is not because we are not doing them, but it's more about getting the word out to let more people know more about the fun and experiences they can get through these three events which I will be talking about. The first one is we have some of the world's best leadership schools around. I have been in the military for 20 years until I retired. For every quarter of every year that I was in the service, which is at least 80 times not counting boot camp and other specialty training, I have had to go through leadership classes. I was an instructor for short time which I had to pass an extensive leadership class for instructing. When I was told to go through a Lions Leadership class as you could imagine, I rolled my eyeballs back and thought to myself, "Oh great, another leadership class and with the Lions of all things". I was quite surprised when I found out the quality of leadership that they are teaching there. As I have mentioned, I think it is one of the best in the world which any business could learn its techniques and improve their businesses and we as a Lions could definitely use these information to our clubs and district in regards

“ROAR OF THE LION”

to all the things that are happening. We need to grow leaders. We need to make leaders ready to step up and take on positions in our district and club.

Secondly, we need to come together to have more fun. Fellowship with other Lions in my humble opinion is very important. This is also very true with other clubs ... for our club. Please send me the dates of your largest fundraisers so that I can try my hardest to attend them and so also we don't schedule district meetings at the same time. I am starting a district bowling league and we already have a committee formed to oversee this project. I imagine that this event will get bigger and popular for every year we have these leagues, the same as our food fairs. And get your clubs out there to visit other clubs. This too can be a lot of fun and allow your members to see how other clubs function.

Lastly LCIF, our foundation is another area where I would like to see growth. We have used matching grants in the past from our foundation, LCIF, and recently we have used it to help build an amphitheater up at Bearskin Meadows Camp. We've used it for the rim fire and I'm sure that we will be using it again. We are the second largest district but we have the lowest amount of collected funds. Please budget for your next year to make your club a 100% actively-participating club. This is \$20 for each member in your club, you will get a banner patch for your club and a lapel pin. It is a small amount but it goes a long way in helping out other people. A lot of us do not realize about the expense on our one dollar, one shot for the measles initiative. If you go elsewhere outside of the United States and try to get a vaccination shot for only a dollar you won't be able to find it. Our dollar stretches because of our foundation being so big and for what we do as an organization. This is why the Lions Club International has been around for a hundred years. It is because we have a foundation that is able to stretch the dollar and make things happen. This is our foundation. It is something we should be very proud of and for all the things that it does to help out. Please help by budgeting for it in your New Year, become a 100% club and help get our numbers up.

As a quick reminder. Please send any changes of your meeting place, meeting times, or any other club changes to Lion Cindy Copner Aguilar lioncindy128@yahoo.com. She will be the incoming District Secretary and she is also the District Directory Chairperson. Also, I am hoping to get all of the incoming presidents picture for our directory, I know this will be challenging but if we are able to get the presidents for the pre-presidents meeting to go we can take the pictures there. If not, please send them in so that we are able to put them in our directory. For all of the incoming presidents that we do not have a picture for once we go to print we will add in our own picture of something related to Lions like a cartoon or Lions logo. The District Directory is one of the most difficult things to put together which is always faced with a lot of criticism with the mistakes. Therefore, we are trying to eliminate as many mistakes as possible with having the correct email addresses, meeting addresses, and telephone numbers, etc. as correct as possible. I hope that you're able to make Lion Cindy's job a little easier by getting her the information needed to make our directory one of the best out of our multiple districts. This is our plea for your help and I know that our directory will be the best out of our multiple district

I'm so very proud of this district and for everything that we do. If you made it to the last MD-4 Convention, you would know what I'm talking about. Lion David Beeman, our district's GMT again announced all of the flags at the flag ceremony. I was sitting with another club when I heard whispers that he must have pictures of each the flags. I whispered back that all he has is a roster of names, no pictures and the flags are sometimes not in the order that they should be in. Way to go, Lion Dave! Next was our Centennial Chair, Lion Lydia Martinez. She is by far way ahead of everyone in the Multiple District for our upcoming Centennial celebration. She really has set a high standard high. Great job, Lion Lydia. It seemed like whatever was happening at the Multiple District, it kept coming back to, "WOW did you see what 4-A2 is doing?" Even the way the convention was ran this year compared to our previous conventions and how much better it was done, fantastic job! PDG Lion Betty Morris and her team for the convention, in Visalia set such a high standard. Other districts are now following the examples of what we did here. We are the best district within our multiple and I am so proud to be a part of it. Thank you all so much for what you do and I will see you all in Cayucos.

1VDG AI

"I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?"

~Helen Keller

2nd VDG

**MJF Lion Chiragkumar "Kevin" Patel
2nd Vice District Governor (2015-2016)
& his wife MJF Lion Falguni Patel**

Dear Lions, Lionesses & Leos,

Please accept my lionistic salute & Namaste!

It has been my wonderful experience to learn much more about our District clubs, their projects, their activities, their fundraisers & lots of fun with fellowship through visitations. This will definitely help me to run our District in future more successfully. Thanks! My District Lions by electing me as a Second Vice District Governor, got several opportunities to visit as a distinguish guest to other Districts in our Multiple District -4. I learnt much more unique qualities about the District meetings/Cabinet meetings, Seminars and will try to adopt some good examples for our District to become more efficient in all respects which is possible with your continuous support. Friends life is short and too many things to do & it is never ending.

Lions, we want to pass our deepest condolences to our fellow Lions who are not with us today or those who have lost their family member & pray Almighty God to rest their soul in eternal peace.

Congratulations Lions on your achievements through this year!

There are few things which came across & are important keys which can help us to become more successful are as below:

SOME WAYS FOR CLUB SUCCESS:

Why Members Drop?

Working Together: Dwelling on differences can lead to poor communication and unsatisfied members. This new clinic has been created to address the retention challenges that most directly affect the ability of a club to form a productive, cohesive group.

Lengthy/Boring Meetings: Always one of the chief reasons given for leaving a club. Interesting and productive meetings are very important to the efficient functioning of your club. They are

2nd VDG

also important to your members. Planning and running effective meetings that follow a well prepared agenda will help accomplish this.

Club Politics/Cliques: Are politics getting in the way of club business? Member feedback indicates that too often club politics do get in the way. Do cliques within the club snub new members, making it difficult for them to feel a part of the group? Breaking down the cliques and politics will make your club environment welcoming and productive. All members will feel more interested and involved.

Lack of Involvement: Once your club inducts new members, be sure to engage them in activities that interest them and allow them to take on leadership roles. Members who see they play an active role, important part in the club are far less likely to drop out.

Retention is an ongoing team effort, led by the club president. Keeping your club efficient, productive, and meaningful to your members will result in many benefits:

- a club that is a vital, respected part of your community
- the ability to help people in need locally and globally
- a club that offers personal and professional growth opportunities for members

INVOLVE A U.S. VETERAN PROGRAM CERTIFICATION: -

Please check at least one form of credentials used to verify U.S. veteran status: DD Form 214 - Certificate of Release or Discharge from Active Duty/ State or County Veterans ID card/ Department of Veterans Affairs ID card/ State Driver's License designating veteran status/ VFW Card/ American Legion Membership Card or any other.

Must Specify MILITARY BRANCH Check which branch of the military the veteran was a part of:
 Air Force Army Coast Guard Marines National Guard Navy Reserves Other/Unknown ME701 EN 07/15

INVOLVE A U.S. VETERAN PROGRAM QUALIFICATION CRITERIA AND CERTIFICATION:

U.S. Veteran Qualification Criteria:

Eligible persons for the Involve a U.S. Veteran Program may receive an entrance or charter fee waiver when joining a Lions club. The program runs for three years, retroactive to July 1, 2013 and through June 30, 2016. The entrance or charter fee waiver is available for up to 5,000 qualifying U.S. veterans.

2nd VDG

Eligible persons for the veteran program include Army, Navy, Air Force, Marines and Coast Guard personnel who are retired or were honorably-discharged from these services. National Guard and Reserve personnel who were called to active duty for other than training (persons may still be enlisted in these services) and other personnel the U.S. services consider a veteran are also eligible.

U.S. Veteran Certification:

Submit the Involve a U.S. Veteran Program Certification Form to the Accounts Receivable and Club Account Services Department if reporting a new member using MyLCI or send with the Report of Charter Members for new clubs or Monthly Membership Report (MMR) for existing clubs. All information requested must be provided, otherwise certification will be delayed.

The waiver will be processed as a credit on the Lions club billing statement upon receipt of the certification form.

Certifying Veteran Members:

The district governor or club secretary is responsible for the reviewing verification documents provided by the U.S. veteran to determine if they satisfy the Involve a U.S. Veteran Program qualification criteria. Copies of verification documents do not need to be sent to LCI.

SOME KEY QUESTIONS WHICH USUALLY COMES WHEN YOU TRY TO EXPLAIN ABOUT OUR LIONS ESPECIALLY TO A PROSPECTIVE LION: -

Please take time to review the following Key Questions and suggested answers. Practice answering these questions with your fellow Lions and always remember to accentuate the positive.

Who are the Lions?

Lions are an international network of approximately 1.4 million men and women dedicated to making a difference locally and internationally.

What do Lions do?

Lions try their best to meet the needs of our communities and the world, ranging from assisting the visually impaired and working with local youth to medical missions and disaster relief.

How are Lions relevant to today's World?

Since 1917, Lions have met the needs in their communities and continued to improve the areas in which they live. As long as there are needs around the world, we will work to meet those needs.

How do I become a Lion?

If you are interested in becoming a Lion, contact your local Lions club and express interest in learning more. A club locator can be found on the Lions Clubs International Web site www.lionsclubs.org.

2nd VDG

Are there women Lions?

Yes. Women are the single fastest growing segment of Lions.

As in other community organizations, is the membership of Lions declining?

No. Lions membership is increasing. Programs such as Family Clubs, Leo Clubs, Campus Lions Clubs and New Century Lions Clubs, are helping us adapt to meet the growing needs of the world around us.

SOME OF THE OBLIGATIONS OF EACH CHARTERED CLUB SHOULD TRY TO BE AS FOLLOWS:

- a. To hold regularly scheduled meetings.
- b. Except as otherwise provided herein, to collect from each member minimum annual dues to cover international and district (single, sub- and multiple) dues and such other expenses as are necessary for club administration.
- c. To encourage and motivate regular attendance.
- d. To carry on activities for the advancement of the civic, cultural, social or moral welfare of the community and for the promotion of international understanding.
- e. To submit regular monthly reports to the International Office on forms provided by it containing such information as may be called for by the board of directors of the association.
- f. To report to the International Office the financial condition of the club upon request.
- g. To elect officers, annually, not later than April 15, whose terms of office shall commence on July 1 following their election.
- h. To thoroughly investigate the background of all persons proposed for membership in the community where the proposed individual resides or has a place of business or is employed.
- i. To uphold, preserve and enhance the image of The International Association of Lions Clubs.
- j. To abide by the policies and requirements as determined, from time to time, by the International Board of Directors.
- k. To further the Lions Clubs International Purposes and Lions Code of Ethics.
- l. To resolve all disputes arising at the club level according to the Club Dispute Resolution Procedure set out, from time to time, in the Policy of the International Board of Directors.

“We are visual creatures. When you doodle an image that captures the essence of an idea, you not only remember it, but you also help other people understand and act on it – which is generally the point of meetings in the first place.” **----Tom Wujec**

2nd VDG

By 2017-2018 Lions of the World target to serve 100 Million people: -

We often came across the question while visiting clubs as a district officer about club monthly membership report & some complain to report electronically. Now, there are ways to send report in time as below:

MONTHLY MEMBERSHIP REPORT: -

The Monthly Membership Report (MMR), is used by every Lions club to report monthly information regarding membership changes. The report is submitted to International Headquarters either by mail, fax or online through a membership site on the association's Web site. A password is required to use the membership site on the Web site. Requests for passwords or questions can be directed to wmmr@lionsclubs.org or support from mylci@lionsclubs.org or call: (630)-468-6900

The MyLCI website can be used by club secretaries to submit club monthly membership reporting, club service activities reports and view monthly statements. The MyLCI site also allows club secretaries to access and print membership rosters, membership cards, various reports and other membership information. Club secretaries can also edit current year and report the club's next year officers via MyLCI. Club secretaries who report monthly membership activity and next year officers via MyLCI should not be required to submit the same to their district office as this information once entered in MyLCI, is immediately available to the district officers. It is recommended that all clubs use the MyLCI site for club management and reporting. To access the MyLCI page click, MyLCI Clubs without Internet access, can use the paper monthly membership report (MMR) (form c23a) to submit membership reporting information and the paper club officer reporting form (PU-101) to report the club's next year officers. Paper forms can be requested and sent to:

**Lions Clubs International
Member Service Center
300 W. 22nd Street Oak Brook Illinois 60523 USA
PHONE: 630.203.3830 FAX: 630.706.9295
EMAIL: memberservicecenter@lionsclub.org**

Club treasurers can also use the MyLCI website to view monthly statements and semiannual invoices. Club treasurers can also pay their current balance through the MyLCI website. Officers of clubs placed on Status Quo can view club information and the club treasurer can pay current balances, but do not have access to other features on the MyLCI website.

2nd VDG

At the district level, district governors, vice district governors, cabinet secretary, treasurers and district GLT & GMT coordinators can view club data within their district. District officers can also generate club and district directories (data download), rosters and reports.

Website access to club and district information is also available to region and zone chairpersons. However, in order to be recognized in those positions, the newly elected district governor must first establish the district regions and zones through the MyLCI website, and then assign the appropriate chairpersons to their corresponding region/zone/clubs.

To safeguard the privacy of membership data, passwords are required to use the membership site (MyLCI). Club and district officers use their LCI membership ID number to create and maintain their own user name and password. This process is called “Registration”.

Multiple district, district and club officers in multiple districts/districts that are presently using their own databases have view access to all MyLCI functions and view and update access to some MyLCI functions.

With the website registration process, the user’s password remains the same from year to year but is disabled if they no longer continue their term of office. After registration, the user name and password provide access to all of the requisite MyLCI functions even if the officer holds several positions at the club, district or multiple district level. The MyLCI functions that are available to each officer depend on their current roles within the association.

Also, forgotten passwords can be retrieved by using MyLCI. From the MyLCI Logon page, the officer can click the Forgot your User Name or Password? After entering his or her membership ID number and responding to a previously selected security question, the original user name and/or password can be changed by the registered officer.

A chart of the dates that a report can be filed is shown below:

Month	MMR Reporting	WMMR Reporting
July	July 1- July 20	July 1- July 31
August	Aug 1 – Aug 20	Aug 1- Aug 31
September	Sep 1 – Sep 20	Sep 1- Sep 30
October	Oct 1 – Oct 20	Oct 1- Oct 31
November	Nov 1 – Nov 20	Nov 1- Nov 30
December	Dec 1 – Dec 20	Dec 1- Dec 31
January	Jan 1 – Jan 20	Jan 1- Jan 31
February	Feb 1 – Feb 20	Feb 1- Feb 28
March	Mar 1 – Mar 20	Mar 1- Mar 31
April	Apr 1 – Apr 20	Apr 1- Apr 30
May	May 1 – May 20	May 1- May 31
June	Jun 1 - Jun 20	Jun 1- Jun 30

2nd VDG

As a club makes changes to their membership online, these changes occur automatically. Changes can continue to be made during this time as often as they wish. The report is cut off on the last day of each month, and no further changes can be made for that month. They must be included in the next month's report.

A club cannot file future reports month(s) ahead. If a month's report is missed, the transaction is included in the next month's paper submission or entered into WMMR.

Leo Clubs Reporting: -

Leo club officers, Leo club advisors and sponsoring Lions club officers have access to MyLCI which allows Leo clubs to report officers, members and service activities, as well as access free resources such as downloadable Leo certificates, membership cards, and new member guides. VII-4 There are two ways to report Leo club officer information – using MyLCI or by submitting the Leo-72 form to the Leo Club Program Department.

When a Leo club submits its annual club officer information via the Leo-72 form, a MyLCI welcome email is automatically sent to the Leo club president and Leo club advisor. It is then the responsibility of the Leo club president and Leo club advisor to register with MyLCI and input the remaining club officer information. After a Leo club begins using MyLCI, they can submit all annual officer reports online and no longer need to submit the Leo-72 form. For more information about reporting Leo club officer and membership information, contact the Leo Club Program Department at leo@lionsclubs.org.

Lioness Clubs Reporting: -

Now according to the last recent Council of Governors meeting of our Multiple District -4 at Modesto, resolution is passed that Lioness Clubs will be a project of Sponsoring Lions Club. Since this is a latest change, proper guidelines are still under process. For more information, please contact District Governor or the District Cabinet Officers.

Please Remember For the Next Year's Officers:

***Once you have entered your club's next year officers in MyLCI they will be able to register and log on to MyLCI beginning April 1. Once logged on, next year officers will be able to access the MyLCI Training Area to prepare for **2016-2017**.

I think that is enough for this time. If you have any further inquiries or concern, then please do not hesitate to contact me. See you soon at our convention at Cayucos. **God Bless All!**

Sincerely with best lionistic regards from:

**MJF Lion Chiragkumar “Kevin” Patel
2nd Vice District Governor (2015-2016)**

2nd VDG

In the Spirit of Lionism and a Servants Heart
Lion Cindy Aguilar
President/NR Chair
Fresno Host Lions Club

John M. Burns

Riverdale Lions Club

Candidate for 2nd VDG

Biographical Information

Lion John Burns was born and raised in East Texas, graduating from Stephen F. Austin State University with a B.S. in Forestry. Upon graduation, he was commissioned a Second Lieutenant in the U.S. Marine Corps, and served 20 years in the Corps. He is currently working for a manufacturing company as the I.T. Director.

Lion John has been married to his wife, Lion Judy, for 39 years and they have 4 children and 9 grandchildren scattered across the U.S. from Alaska, California, New Mexico, and Alabama.

Lion History

Lion John joined the Riverdale Lions Club in May 2005, and has served as Tail-Twister, Secretary, Vice-President, President, and Board Member. He has also served at the District level as a Region Chair, Cabinet Secretary, and GLT Coordinator.

Lion John is a Melvin Jones Fellow and Harry J. Aslan Fellow. He has received an MD4 Excellence Award, and has been Lion of the Year for the Riverdale Lions Club.

Committed to SERVICE

Lion John has demonstrated a life-long commitment to service. As a youth he was active in Scouting, attaining Eagle Scout and serving on the local Council Camp Staff several years. During college, he was a member of the Alpha Phi Omega fraternity, a service oriented fraternity. Lion John's 20 years of service in the Marine Corps and his continuing service to Lions, and his local church as a lay speaker and church treasurer reflect his commitment to service.

Fellow Lions, Lioness and Leos of District 4-A2

Before I write about my favorite subject, I am reminding you that your scrapbook and your newsletter contest entries will be judged at our Convention in April. If you want your newsletter considered send me a copy by email and I will print them and take them to the Convention. The scrapbooks must be given to the District Secretary, Dick Piepenburg, by 4/22 AM. The judging will be completed by our visiting dignitaries Friday 4/22 afternoon. Good Luck to all.

Membership, Membership, “Just Ask” it really works! “Don’t Ask” also really works, I prefer the “Asking” results. At the beginning of the year we were challenged by Governor, Craig Copper, to be “Plus One” at this year’s end. I have personally sponsored one member but our club lost three which means my club’s members and I need to keep the rest of our members home and add three more to meet the Governor’s challenge. We have 63 clubs in our District, when you do the math, the target is Plus 63 members, our year to date results as of this writing is Plus 19 and we are at the end of the

third quarter. What do you think? I think we can do it, and grow our District to give our Governor the year that he has earned.

Membership is not just the number of members, it is so much more. One working Lion can accomplish a lot within his/her community, when we add another member the efforts and results double. Sometimes the results triple because the new member brought new ideas and more enthusiasm into the clubs efforts. We have communities within our District that have no Lions doing anything to help needy individuals that cannot help themselves. That is what we do, we need help to serve those communities as well as our own area. When a club, stops adding members it will begin to shrink, then they begin to lose their enthusiasm. Next our friends and family members begin to walk away looking for more enjoyable endeavors. The result is another club in District 4-A2 will close this year and another community will no longer receive the needed Lion Service. The more members we have the more we can serve, where do we want to be tomorrow? We have many under staffed clubs the truly struggle to serve their chosen communities. We can continue to “Just Ask” someone and give them the opportunity to enjoy the Lion experience.

Our trophy, I am sad to say, do to circumstances that I will not share at this time our Membership Gain Trophy may end on June 30, 2016. This means that you may only have 3 more opportunities to have your club’s name added to the trophy which is; the third quarter, the fourth quarter and the total gain for the year. Don’t let your club be left out, there are three major components’ to this contest:

Retain your members - “Keep your friends and family at home through the end of this year.”

Add Members - “just Ask your friends and family members to join you in a Life Changing Experience”

Keep your Club alive - excited and doing the needed Community Service (report your progress)

Are you interested in a success story? Picture a 65 year old Lions club that had been struggling with financial and membership issues for many years. They began the year with 10 members but a long time member left about six months ago because the club had lost its focus. In February 2016, their financial issues were appropriately addressed. In mid February the with some outside support they made an effort attract new members, they “Asked”. As of this writing the club has added 10 new members with 2 more pending that have not been entered into the LCI System. The club grew from nine members to 20 members in less than 45 days. You will not find another club that is more focused, more enthusiastic, more excited or more motivated. This is a real club that did some exceptional things in a short period of time, your club can do the same. “Just Ask”

in Lionism

PDG/GMT

Membership Growth Trophy

The new Membership Growth recognition trophy was unveiled at the second Cabinet Meeting in Lemoore. The Lion that stands on the top of the trophy came from Pennsylvania, the base was made by an Auberry, CA cabinet maker so we can safely say it is a “one of a kind” trophy. It is a three year trophy that offers 15 opportunities for your club to be recognized by having the highest net gain in membership for a quarter or the highest total net gain for the year. The trophy will be presented to the winning club at the first Cabinet Meeting or Convention following the close of the quarter and the winning club is identified. Each quarterly winner will retain the trophy until it is time for it to be update for the next recipient. The club who’s name appears on the trophy the most during the three year contest will keep the trophy for all to see when you visit their club.

Contest rules are as follows:

Participating clubs must be in good standing with Lions Clubs International.

Membership results must be positive: example a) previous results -2 members, current quarter net +3 members equals + 1 for the quarter; example b) previous results +10 members, current quarter net +3 members equals +3 for the quarter.

The minimum requirement ; the club’s membership net total must exceed the membership numbers record on the last day of the previous year and must increase by 1 member during the contest quarter.

There will be 12 quarterly winners, the club with the highest net gain in membership for the quarter.

There will be 3 annual winners, the club that has the highest net gain in Membership for each year.

LCI, MD-4 & District 4-A2 dues for the new member must be paid.

The trophy must be returned in the same condition as it was when you took possession.

Branch Club members are included in parent club totals.

New Clubs do not qualify for this award their Charter year.

There are two primary components of membership growth, the first is member retention, keep the members that you have. There are always recognizable signs that indicates a member is less than excited about being a Lion, i.e., he or she stops attending meetings or club events, slow to pay dues, nonparticipant during meetings, becomes antisocial, etc. Sometimes it is easier to retain one rather than find one. Second, “Ask One”, new members are out there, we just need to invite them to join a club that they find attractive and is doing the things that they want to be associated with.

There is an easy formula to win your club name plate on the trophy; Retain Members + Add New Members = growth. I am always available to assist you with planning and conducting membership drives.

Congratulations to our first club to receive this recognition; the Fresno Diwata Lions Club. They recorded a net gain of 12 members during the first quarter of year 2014-2015. Awesome!

Good Recruiting to all

Bearskin Meadow Camp for Diabetics

Every summer diabetic children hike, swim, sing songs, play games, and sleep outside under the stars at a camp high in the Sierras since 1960. A happy sound of laughter disperses through the still air as campers and counselors play and toil without a care.

The kids who go to camp are the kids learn how to deal with their diabetic. Together we help these boys and girls enjoy their camp by maintaining this camp. Please let Walt or myself if we will see you this memorial day.

Lions are needed every Memorial Day Weekend, so plan with your club to join us at Bearskin Meadow. You will be served three meals a day, and sleep under the stars. Bring you gloves, and rakes, hammers and saw as this is a work weekend. We have been working at Bearskin Meadows for three years now. This is a project that all Lions in our district can come up and help. There is a job for everyone. Working in the nurses' station, craft shed, dorms, kitchen. Whatever you can do, we can use you.

Donations are sent to the district treasurer/Bearskin Meadows. building a new

BEARSKIN MEADOW CHILDREN’S DIABETIC CAMP MEMORIAL WORK WEEKEND

Fellow Lions, Leos, Leo Advisors and Guests
Mark your calendar for Bearskin Meadow Camp’s Annual Work Weekend

FRIDAY, MAY 27 — MONDAY, MAY 30, 2016

Last years devastating “Rough Fire” came dangerously close to the Bearskin Meadow Diabetic Youth Camp and it did in fact force the evacuation and closure of all roads leading into Bearskin Meadow Diabetic Youth Camp before we could successfully close the Camp last summer. We are asking and in need of Lions and Leos to help with the preopening of the Children’s Camp during this years Memorial Day Weekend.

Because of the Rough Fire, and the short evacuation notice, many Chores and Projects were left undone. As always before we reopen the Camp for the children, the Pine Needles have to be raked away from all of the Cabins and sleeping areas and our District Leos have always been a tremendous help in completing this task. We are asking again for the Districts Leos help to reopen the Children’s Diabetic Camp.

One Project that was left unfinished was the Sleeping Deck Overhangs and the re-shingling of the Overhangs. Lion Richard Garcia of Central Valley Roofing and other members of the Sequoia Lions will donate their time to re-shingle the Deck Overhangs (at a great savings to the District) with new shingles we purchased last year with part of the Grant Money our District was awarded in 2014 by LCIF in Partnership with the Diabetic Youth Foundation (DYF) To renovate the Diabetic Youth Camp.

Lion Richard is asking for help and assistance in the removal of the old shingles from the Deck Overhangs prior to installing the new shingles. This Project calls for our YOUNGER LIONS to step up and volunteer to help for us to complete this particular project. All volunteers will be well fed three meals a day and can either sleep in a cabin or under the stars on one of the sleeping decks at night. Be sure to bring layered clothing and sleeping bags wherever you choose to sleep. **We have chores for all age groups and plenty to do, so everyone is welcome to volunteer.** Volunteers can work one, two or three days it is up to you. **Your volunteer hours can also be credited towards the Centennial Service Challenge Awards Patches for your Club Banner.**

To signup and for more information, Contact PDG Walt Juarez at waltjuarez08@aol.com or PDG Judith Woolley at judyarribere@aol.com.

Thank you

***Learn what the goals for the district will be for
2016-2017***

What is your role as club president

WHY THE PREISDENTS ARE SO IMPORTANT TO THE

DISTRICT AND THEIR CLUB

JOIN THE

Centennial Service Challenge!

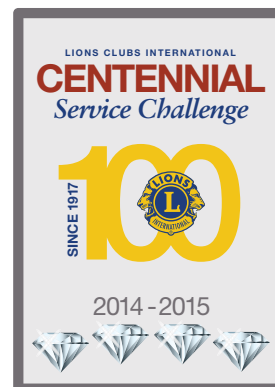

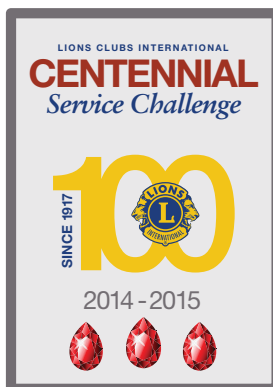

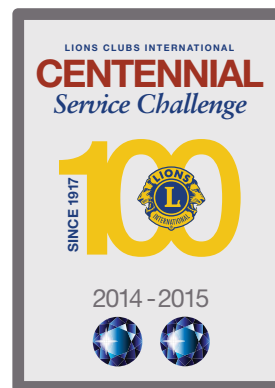

For nearly 100 years, Lions have served their communities and impacted millions of people around the world. In celebration of our 100th anniversary, we are asking you to help reach our Centennial Service Challenge goal of serving 100 million people by June 30th, 2018. Your club can play a part in reaching our goal, and you can earn special Centennial recognition when you serve!

Earn Special Centennial Recognition for Your Club

Your club can earn a Centennial Banner Patch with a special gemstone design each year you sponsor a Global Service Action project impacting Youth, Vision, Hunger or the Environment.

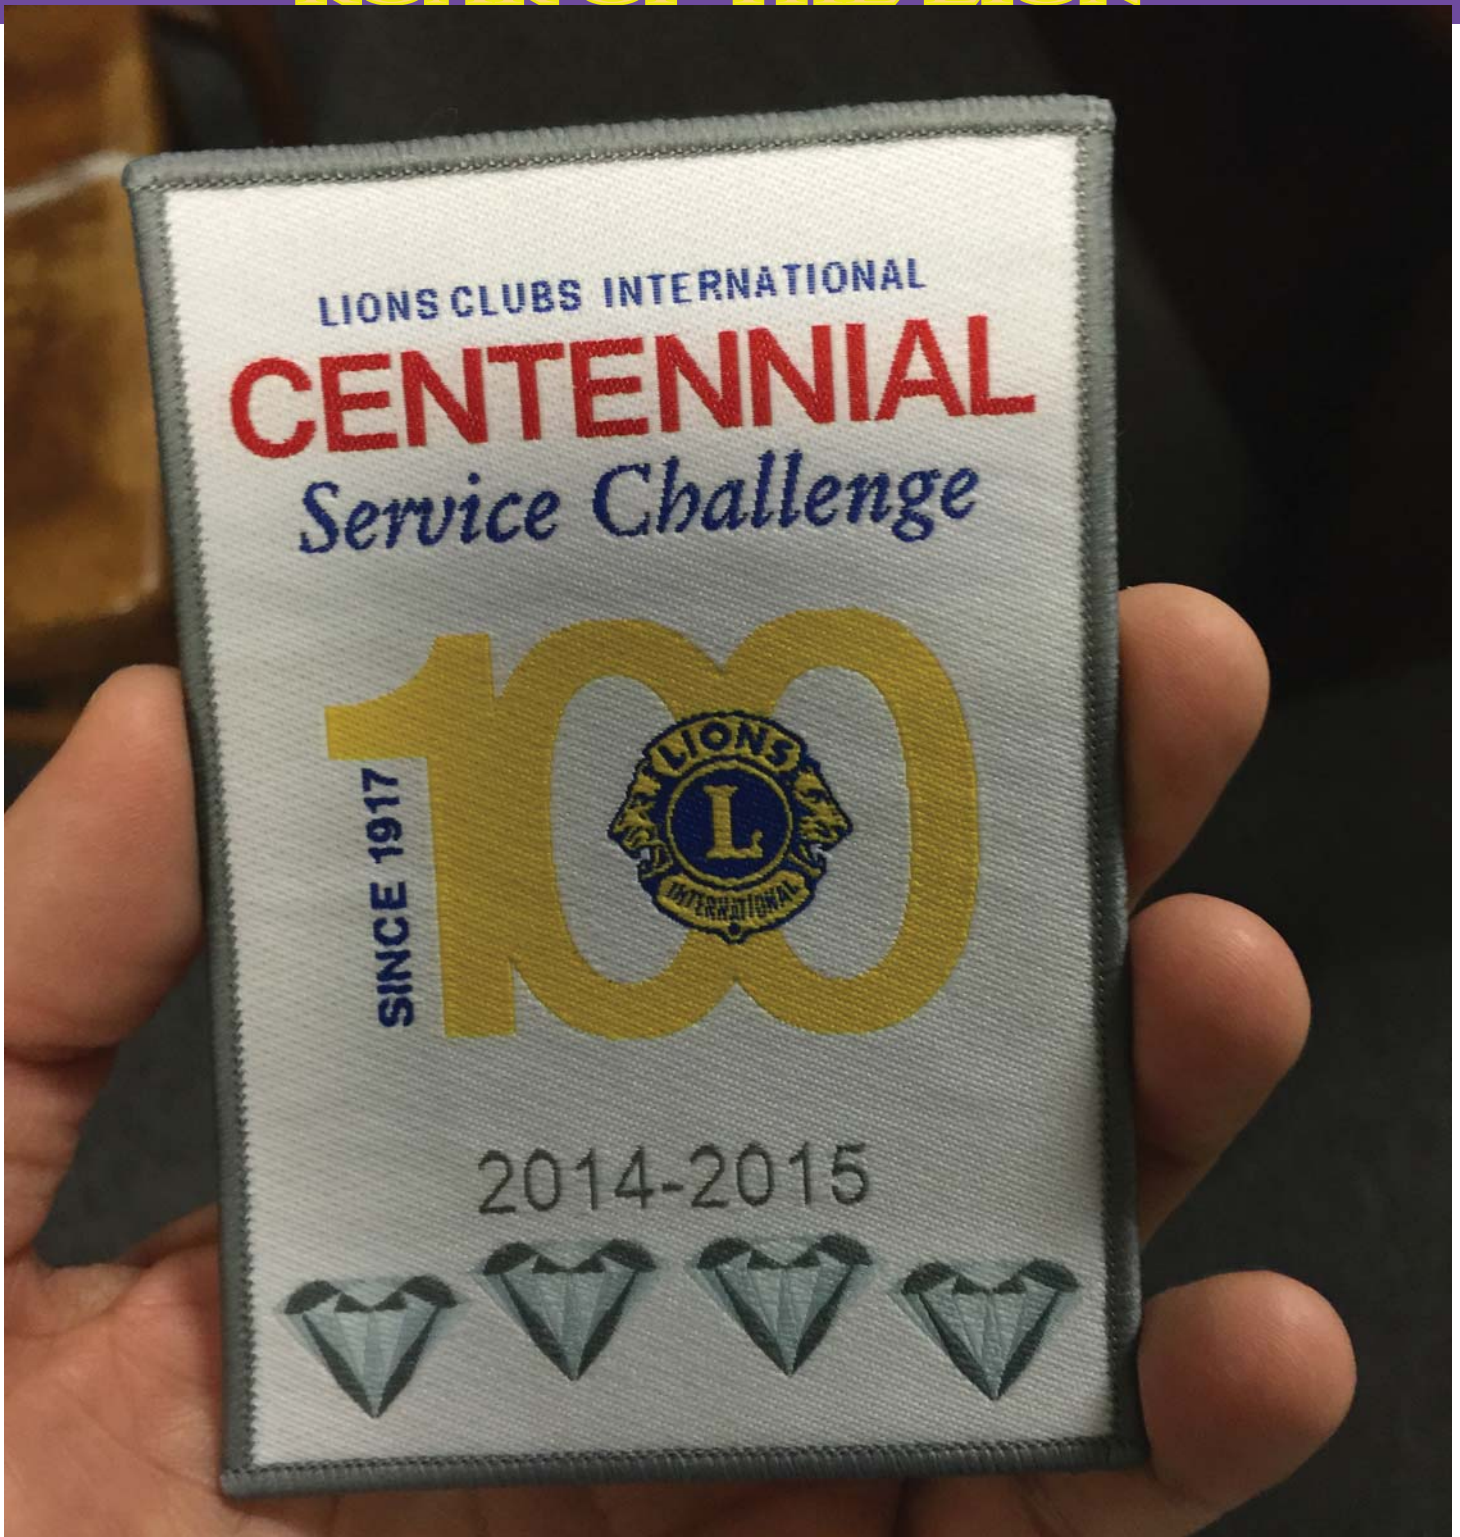

- Each gemstone represents the number of different Global Service Action Campaigns that your club participates in during the fiscal year.
- The more campaigns you participate in, the more gemstones you can earn for your banner patch.
- Earn a diamond-level Centennial Banner Patch by participating in all four Global Service Action Campaigns!

Your club can **earn up to four Centennial Banner Patches** by participating in each year of the Centennial Service Challenge.

All Centennial service activities must be reported through MyLCl's Service Activity Report to receive recognition.

Bannera Patch next page

District 4-A2 is proud to announce that three of our clubs have already earned the 4-Diamond Banner patch! This indicates these clubs have performed work in each of the four Centennial Service Challenge categories: Vision, Youth, Hunger and Environment.
