“Be The Change”

Keep Trying, Keep Moving

Keep Inspiring

Melvin Jones

Melvin Jones was born on January 13, 1879, in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred, and the family moved east.

As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency. He soon joined the Business Circle, a businessman's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, then a 38-year-old Chicago business leader, had other plans.

"What if these men," Melvin Jones asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at the International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civic-minded members.

The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations.

Melvin Jones, the man whose personal code "You can't get very far until you start doing something for somebody else" became a guiding principle for public-spirited people the world over, he died June 1, 1961 at 82 years of age.

Kindness Matters!

KINDNESS
DEFINES
WHO WE ARE
AS LIONS. AND WHY
WE SERVE. AN
ACT OF KINDNESS
MAY BE SMALL
AND PERSONAL,
OR LARGE AND
PROFOUND. WHEN
1.4 MILLION MEN
AND WOMEN COME
TOGETHER TO SERVE, IT
REPRESENTS A DYNAMIC
FORCE FOR GOOD.

On a Mission to Serve

Lions serve. It's that simple, and it has been since we first began in 1917. Our clubs are places where individuals join together to give their valuable time and effort to improving their communities, and the world.

City Of Hope

City of Hope and the Lions
A Successful Partnership for over 50 Years

City of Hope is a world-renowned research and treatment center, helping those with life-threatening illnesses such as cancer, diabetes and HIV/AIDS. For more than 50 years the Lions Clubs of MD-4 have partnered with City of Hope to provide funds for ongoing research, treatment and educational programs, saving countless lives, providing exemplary patient care and offering beneficial support for families.

In 2017 Lions, Lioness and Leos of MD-4 completed their goal of raising one million dollars to name the Lions Clubs International Family Center at City of Hope. On December 31, Lions International President Naresh Aggarwal toured City of Hope and the newly named facility. On Lions Tribute Day in March, everyone in attendance viewed the official dedication ceremony. It was a very special day for MD-4 and for everyone who has worked for so long to make this unique endeavor a reality.

The next Lions project for City of Hope, in keeping with the Lions Club International recent commitment to diabetes, will be "Lions Diabetes Campaign." An advisory committee made up of Lions, Lioness, and City of Hope management working together to facilitate this new campaign.

Donations of any amount to the "Lions Diabetes Campaign" are graciously accepted and deeply appreciated.

Kases 4 Kids

Kases for Kids collects and distributes suitcases, duffle bags, backpacks and similar carrying cases to foster children in the system. As we know our foster children don't always have their own cases before entering or leaving the system. Most of the time they have to use plastic or trash bags in which they carry their personal items in.

Kases for Kids wants the children to know that these cases are their belongings when they leave the foster home to return home or into a permanent placement. Items needed: Suitcases, backpacks, and other travel bags for children along with small toiletry items, such as those from hotels (shampoo, soap, etc.). "Kases 4 Kids" has its own trading pin if you are a pin collector.

For questions concerning this project or to donate new items to be used in this project, please contact: Kases for Kids District Chair Lion Kaden Ferretti C: 559.917.3418

Lions Eye Bank

Eye banks recover, evaluate, store and distribute human eye tissue for vision restoration, research and education. Eye surgeons rely on eye banks to supply them with tissue for sight-saving procedures. A Lions eye bank is sponsored by a Lions club, district or multiple district and has an established working relationship with a medical facility.

Lions Eye Bank Week, celebrated the first full week in December, provides a special opportunity for Lions to emphasize the valuable services provided by a Lions eye bank.

Today, Lions clubs support 53 Lions eye banks located in eight countries. To celebrate Lions Eye Bank Week and honor the contributions of Lions in this valuable sight-saving program, clubs are encouraged to: Tour the eye bank, invite a speaker from the eye bank to a club or district event, host or assist with an open house at the eye bank, organize a donor awareness event, inform the public of the service provided by the Lions eye bank, and Organize a fundraiser for their local eye bank.

Ear of the Lion Foundation of California & Nevada

The Hearing Foundation, legally registered as Ear of the Lion Foundation of California & Nevada Inc. is a non-profit, 501(c)3 public benefit corporation. Formed in 1982 by Northern California Lions Clubs. It is a MD-4 sanctioned Lions program. It has now expanded to clubs throughout California and Nevada. Clubs from all parts of California and Nevada support and are referring patients needing assistance. Lions realized that many who are hearing-impaired do not have the means to improve their hearing. The Foundation has a hearing aid bank and supports patients who need hearing aids. To date, thousands of patients have received care, through our efforts that otherwise would not have been available to them. The Foundation's funding comes from Lions and Lions Clubs who understand and believe in our program. The Foundation also receives donations, both large and small from individuals who believe in the program. We have a trust fund where deposits come from \$250 Tosch Fellowships, \$500 Life memberships, and \$1000 Alexander Graham Bell Fellowships. Only the earnings from the trust account are used for operating the patient care program.

District Visitations

April 1 - March 31

Report visitations to the District Visitation Chair on a timely basis. Official club visitations are reported by the end of the following month of visitation. You can report by paper documentation or e-mail.

- The visiting club must e-mail reports acknowledging the date & time of visitation.
- Paper reports must be signed by the president or secretary of the hosting club, (or other representative if the president & secretary are absent) acknowledging your group was there.
- Both reports must indicate the following:
 - the name of the visiting club, and the name of the hosting club
 - the date, time and place of the visitation
 - the one-way mileage from the visiting club's regular meeting place to the place of visitation.
 - the names of the visiting Lions, Lionesses or Leos. (Visitors who are not yet members cannot be counted. You may list them anyway, but you must indicate they are not members)

NOTE: Do not enter visitations on a monthly activity report, nor are the entries reported to your Zone or Region Chair.

Visitation Rules

- Club's must observe rules of decorum and must achieve the minimum participation for an Official Visitation. Late reports will earn only 50% of the points of a timely report.
- Reports postmarked or delivered after March 31st are not counted.
- Club's must visit a regular meeting of a 4-A2 Lions club, or a project of the club, zone, region or district.
- Club's may visit a regular meeting or project of a Lions Club outside District 4-A2.
- Club's may visit a governor's cabinet meeting, District 4-A2 convention, or New Member Recognition Night. Only one visitation can be counted to clubs visited in the same day with overlapping meeting times, e.g., only one lunch meeting per day.

Rules of Decorum

- At least one week in advance inform the President or Secretary of the club being visited the approximate number of visitors to expect, and the date of the proposed visitation.
- Bells, gavels and banners are the only items subject to "borrowing" and then only between the opening and closing of the meeting. Any property taken outside these rules will void the visitation. See also District By-Laws, Article IV Section 10(h).
- The hosting club President should invite the visiting club President to sit at the head table.

Minimum Participation

For a visitation to be official, the visiting club must have:

Small Clubs less than 20 members - at least 3 members attending.
Medium Clubs 20 to 35 member - at least 4 members attending.
Large Clubs more than 35 members - at least 5 members attending.

How to Earn Club Contest Points:

- 1 pt. for every mile traveled one-way from your meeting place to the Lions club meeting being visited, multiplied by the number of Lions and Leos participating in the Official Visitation.
- 50 pts. if the club visited is in your zone,
- 75 pts. if the club visited is not in your zone, but is in your region
- 100 pts. if the club is not in your region, but is in District 4-A2
- 5 pts for every person attending a virtual visitation

Any visitation that qualifies as "official" will earn a minimum of 100 pts.

- Bonus points for officially visiting all clubs in a zone: 50 points.
- Bonus points for officially visiting all clubs in a region: another 75 points.
- Bonus points for officially visiting all clubs in the district: another 400 points.

Points for official visitations outside District 4-A2 are limited to 200 points maximum per Lion, Lioness or Leo. In the case of a repeat visit to the same hosting club, the visit earning the most points in that contest year is the one counted. Mileage/virtual points are triple for each Lion, Lioness or Leo over the minimum number of Lions required for the visitation to be official.

Visitation forms can be found on the district website at:

<https://4a2lions.org/forms/>.

Lions Pledge

I PLEDGE ALLEGIANCE TO MY COUNTRY,
AND TO THE CAUSE OF PEACE
THROUGHOUT THE WORLD.

I BELIEVE IN THE PRINCIPLES OF
LIONISM AS CONTAINED IN THE

“CODE OF ETHICS”

I AM PROUD TO BE A LION,
DEDICATED TO THE SERVICE OF OTHERS.

Lions Code of Ethics

TO SHOW MY FAITH IN THE WORTHINESS OF MY VOCATION BY
INDUSTRIOUS APPLICATION TO THE END THAT I MAY MERIT A REPUTATION
FOR QUALITY OF SERVICE.

TO SEEK SUCCESS AND TO DEMAND ALL FAIR REMUNERATION OR PROFIT
AS MY JUST DUE, BUT TO ACCEPT NO PROFIT OR SUCCESS AT THE PRICE
OF MY OWN SELF-RESPECT LOST BECAUSE OF UNFAIR
ADVANTAGE TAKEN OR BECAUSE OF QUESTIONABLE ACTS ON MY PART.

TO REMEMBER THAT IN BUILDING UP MY BUSINESS IT IS NOT NECESSARY
TO TEAR DOWN ANOTHER'S; TO BE LOYAL TO MY CLIENTS OR CUSTOMERS
AND TRUE TO MYSELF.

WHENEVER A DOUBT ARISES AS TO THE RIGHT OR ETHICS OF MY
POSITION OR ACTION TOWARDS OTHERS, TO RESOLVE SUCH DOUBT
AGAINST MYSELF.

TO HOLD FRIENDSHIP AS AN END AND NOT A MEANS. TO HOLD THAT TRUE
FRIENDSHIP EXISTS NOT ON ACCOUNT OF THE SERVICE PERFORMED BY
ONE TO ANOTHER, BUT THAT TRUE FRIENDSHIP DEMANDS NOTHING BUT
ACCEPTS SERVICE IN THE SPIRIT IN WHICH IT IS GIVEN.

ALWAYS TO BEAR IN MIND MY OBLIGATIONS AS A CITIZEN TO MY NATION,
MY STATE, AND MY COMMUNITY, AND TO GIVE THEM MY UNSWERVING
LOYALTY IN WORD, ACT AND DEED. TO GIVE THEM FREELY OF MY TIME,
LABOR AND MEANS.

TO AID OTHERS BY GIVING MY SYMPATHY TO THOSE IN DISTRESS, MY
AID TO THE WEAK, AND MY SUBSTANCE TO THE NEEDY.

TO BE CAREFUL WITH MY CRITICISM AND LIBERAL WITH MY PRAISE; TO
BUILD UP AND NOT DESTROY.

District Governor Visitation Protocol

The visit of the District Governor is one of the highlights of the Lions year. Certain rules of protocol apply for the official visit.

The Governor maintains a very busy schedule during the year and courtesy would suggest that the Governor be contacted, in writing, suggesting a minimum of three (3) dates for the official visit.

The Governor is the only speaker to be scheduled for the meeting. Do not expect the Governor to compete with another speaker or with long, drawn-out business or board meetings. Usually, rules are suspended and all reports are tabled until the next regular meeting. Have an agenda to work from and start the meeting on time. Make sure all of the details are done in advance, greeters are present, bell and banner displayed, region or zone chairmen invited, meal planned and, if a gift is being presented, make sure it is available at the meeting. Visiting Lions are not allowed to “steal” the host Lions club items.

Notify the Governor, in writing, of all special club events and extend an invitation to attend. If the Governor is expected to be a participant in the event, provide advance notification, in writing, as to the level of participation requested by the club.

When the District Governor is recognized at any Lions meeting, club or district level, all Lions should rise and remain standing until the Governor signals them to be seated not only is this proper protocol, it is recognition of the office.

If a club wishes the Governor to induct new members during the course of an official visit, notice of the induction should be provided in advance and provide a list of names of new members, and their sponsors. Make sure new member kits are ready for presentation.

The Governor can be introduced by the club president or one of the cabinet officers. This should be done with dignity and include information concerning the Governor's home club, business, offices held, Lionistic activities and family, if appropriate. Introduction of the Governor should be done only once when being presented to the assembly for remarks. The Governor sits to the immediate right of the podium with the President to the immediate left. It would be suggested that thirty (30) minutes be allowed for remarks by the Governor.

Welcome

Ladies and gentlemen, on behalf of the officers and members of the _____ Lions Club, I want to express our sincere pleasure at your presence at this meeting. You have been invited to become members and we are all extremely proud that you have accepted membership in our club and Lions Clubs International. Membership in a Lions club is a privilege. You have joined the world's largest and most active service club organization; a group of approximately 1.3 million men and women in _____ clubs in _____ countries and geographical areas around the globe, who are dedicated to making a difference. Through your membership, you will help our club reach out to people in need in our community, and throughout the world.

Lions Clubs International History

You are becoming part of a distinguished service history that dates back to 1917, when Lions Clubs International began as the dream of Chicago insurance man Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jones' own group, the Business Circle of Chicago, agreed. After contacting similar groups around the country an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved. Induction Ceremonies Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the _____ Lions Club will help us carry on this tradition of service for many years to come.

YOUTH PROTECTION POLICY

Multiple District 4 Lions (MD4) has an excellent record of supporting youth through Lions Youth Exchange, Leos, scholarship programs, mentoring and literacy initiatives, and other youth programs.

In developing and implementing events and programs involving youth, the Districts and Lions Clubs in MD4 MUST adopt and enforce the following Statement of conduct for Working with Youth and the Youth Protection Policy and Procedures provisions in this document. MD4 strives to create and maintain a safe environment for all youth who participate in Lion activities. To the best of their ability, Lions, Lions' spouses and partners, and other volunteers MUST safeguard the children and young people they come into contact with and protect them from physical, sexual, mental and emotional abuse. (Appendix A) MD4 requires all Districts and Lions Clubs to address the issue of youth protection, and to follow the MD4 Youth Protection Policy and Procedures. A District/Club may establish additional policies and procedures as determined appropriate to protect the safety and well-being of all who participate in Lion Youth Service Programs. MD4 is committed to the protection of the youth we serve, Lions and our volunteers. School based Leo Clubs that meet on the school site, have a faculty school advisor and follow California school district clearance policy and procedures are exempt from this process. The Leo Activities in these Leo Clubs are considered a school based activity. A letter from the school district identifying the faculty advisor and name of the Leo Club is required for MD4 records. Non-school based Leo Club advisors and volunteers are not exempt from this process. All other Lion Youth Programs advisors and volunteers (such as, but not limited to Youth Exchange, Kids in Sight, Youth Outreach) are not exempt from this process. Lions Clubs may choose to have more stringent requirements than this policy and procedures provide, but not less.

More information can be found here: <https://www.md4lions.org/youth-protection-policy>

Leo Club Fees

Leo Club Fees Common Questions

Leo club organization fee

A US\$100 Leo Club Organization Fee is a flat fee billed to the sponsoring Lions club, regardless of the number of Leo charter members.

The organization fee covers supplies and associated freight for:

- The Leo Club Certificate of Organization
- Leo lapel pins for all charter members
- The Leo club officer kit
- The Lions club sponsor kit

The Leo Club Organization Fee does not include Leo new member kits.

Leo new member entrance fee

The Leo New Member Entrance Fee has been eliminated.

Sponsoring Lions clubs have the option to purchase Leo lapel pins for Leo members entering an existing Leo club via the LCI Store.

Sponsoring Lions clubs have the option to purchase Leo new member kits via the LCI Store. Some kit items, such as Leo membership guides, cards and certificates are now available for free download via MyLCI.

Can Leos order supplies from headquarters?

As a sponsored activity of a Lions club, a Leo club does not have an account with the association. However, members of a Leo club can purchase items through the Lions Club Supplies store using a credit card, US dollar check or money order. A club

can also bill the account of the Lions club sponsor if authorization is given by an officer of the sponsoring Lions club.

Annual leo club sponsor levy

Lions clubs are assessed an annual levy of US\$100 for each Leo club they sponsor.

The US\$100 fee appears on the sponsoring Lions club's July billing statement from International Headquarters each year.

In addition, when a Lions club initially charters a Leo club, the Leo levy is waived for that fiscal year only.

Leo levy credit for a terminated Leo club shall be given only if the sponsoring Lions club submits a signed Leo Club Termination Form (Leo-86) to the Leo Club Program Department at International Headquarters by October 31. Credit shall be given only for the current fiscal year.

Can Lions clubs pay Leo fees and levies from their activity account?

Yes. Leo clubs are an official Lions club activity. Therefore, Leo fees and levies can be paid from the Lions club's activity and/or administrative account. Likewise, either account may fund the administrative expenses of the Leo club.

Can Leo clubs pay their own fees or levies?

Indirectly. A sponsor Lions club is responsible for all fees and levies relating to its Leo club. However, some Leo clubs choose to repay their sponsor Lions clubs for these items.

Reporting Leo Membership

Reporting Matters Your Guide to Reporting Leo Membership

Reporting membership data to Lions Clubs International is the first step for setting your club and members up for success — your club can gauge its health by looking at membership numbers, and your reported members can access a variety of helpful tools with a Lion Account. Below you'll find helpful information and tips for reporting your Leo club's membership.

Who can report for Leo clubs in MyLCI?

- » Leo club advisor
- » Leo club president
- » Leo club secretary
- » Sponsoring Lions club president
- » Sponsoring Lions club secretary

Reporting Leo club members and officers:

- » Gives reported members the ability to create a Lion Account, access the Lions Learning Center (LLC) and view activity in MyLion.
- » Ensures that each reported Leo's service history is accurate.
- » Simplifies transitioning from a Leo to a Leo-Lion through MyLCI.
- » Facilitates accurate club membership records.
- » Allows Leo clubs to understand their club's health and track growth trends.
- » Keeps districts, multiple districts and Lions International connected by providing accurate titles and contact information.

Other resources

- » Step-by-step guide to reporting Leo officers: cdn2.webdamdb.com/md_oGYcORGzau679QGE.jpg.pdf?v=1
- » Lions help desk: lionsclubs.org/en/lion-account-help
- » If you are seeking information regarding service reporting, please visit <https://www.lionsclubs.org/en/service-reporting>.

Helpful tips

- » Sponsoring Lions club presidents must annually report the Leo club advisor. Once reported, the Leo club advisor can report the club officers and members for the year.
- » Leo club advisors must affirm in MyLCI that they have received permission from a parent or legal guardian to include Leos under the age of majority.
- » Officers should review their club roster several times a year to include new members and close records for those who have left the club.
- » To access their Lion Account, members must be reported in MyLCI by one of the five club officers.
- » When registering for a Lion Account, members must make sure birthdays, email addresses and/or mobile numbers match club records. Email addresses must be unique to the member.
- » While every Leo can have a Lion Account, only reported Leo officers have access to MyLCI.
