Lions District 4-A2 Nominations and Elections Committee

The Nomination and Election Committee has met twice in the last month. Once in a conference call and another time on Zoom. We are in the early stages of planning and development of the ballot. Another meeting is planned on Zoom for Feb 15th with the committee.

You might recall getting an email last week asking for a response for an informal poll. We don't know what's ahead of us for later this year with the pandemic. Our responsibility is to provide the election materials, vote tabulation, and resolving questions concerning the validity of individual ballots. Due to the current pandemic, the committee suggests we conduct the vote on Election Buddy as we did last year. This method served us well and is a proven, secure system for voting. We believe this is the best course of action to insure a vote takes place as required.

The following nominations have been received by the committee:

- Hanford Breakfast Lions Club, 1VDG Lion Falguni Patel – For District Governor
- Fresno Host Lions Club, 2VDG Lion Christy Kroell – For 1st Vice District Governor
- Visalia Pride Lions Club, Lion Cheri Provancha – for 2nd Vice District Governor

District Convention Report

Our district convention is rapidly approaching. The date is April 22-23, 2022 and the plans are moving right along. The 2021 convention had to be cancelled due to the virus, however we were able to use the same connections to reschedule the hotel and the catering. Both of these venues have been booked and deposits have been made. The host motel will again be the Cayucos Beach Inn. The motel is almost, if not completely sold out. However, there are many others in the Cayucos and Morro Bay areas.

The Morro Bay Lions Club has agreed to cater all the meals. They also have reserved the Morro Bay Community Center for our meetings and all meals. This is a very nice facility with lots of parking.

The registration information will be available soon. The committee is going to Morro Bay on February 2nd to finalize the meal choices and costs. So keep checking our district web site for more information.

We hope to see you all in Cayucos for the food fair and Morro Bay for the meeting, voting, great food, and a great convention.

Student Speaker Report

January 22, 2022

The 85th Annual Student Speaker Contest's topic is "How Can Kindness Reunite Our Country." Our district has a total of 61 clubs, 14 in the Central Region, 14 in the Southern Region, 21 in the Northern Region, and 12 in the Western Region. Of the 61 clubs there are only 21 signed up to hold a contest.

The club dates should already be scheduled and must be completed by February 21st.

Last year our District had a grand prize winner from Cutler Orosi—Alexandre Widman. I have been involved in the contest for a long time and I don't think we have had a winner in 20 plus years. He had the honor of riding on the Lions Float in the Rose Parade this year.

The Zone and Region Contest will be the next two levels after the Club contests. The club, zone, and region contest winners are awarded cash prizes. Our District contest will be held at the convention in Morro Bay on April 23rd. This contest will award the first level of scholarship monies of \$4,500.

I want to wish all the clubs good luck with their contests and remind the chairperson to read the booklet and follow the guidelines for a successful contest.

Please consider awarding the Harry Aslan Award in recognition of your Student Speaker Chairs or any Lion in your club deserving it. The donation of \$250 supports the Student Speaker Foundation.

Lions Eye Foundation of California – Nevada, INC.

District 4-A2 Report

The Lions Eye Foundation held its 2nd quarter meeting on January 15th, 2022

This meeting was held on Zoom due to the Covid pandemic we have been experiencing. All committees were present and gave reports to the trustees and executive board. The foundation has had an excellent quarter with an above average number of patients receiving care. A quick look at the 2021 calendar year shows some amazing results.

Total annual medical cost was \$9,949,413.00 for all services performed.

- Clinic costs totaled \$1,374,163.00
- Lions Eye Foundation spent \$631,911.44 in the last calendar year.
- This means for every dollar LEF spent the return was 15.7 times.

This is for 4,280 ophthalmic procedures of which 347 surgeries were performed. We also had 385 new patient referrals, 822 Interventions Injections, 150 Laser procedures, 24 minor surgeries and 3861 patient visits. The foundation is a Platinum Guide Star rated nonprofit and this is the highest rating available.

Our Mission. To preserve and restore the gift of sight by providing free ophthalmic examinations, operations, and medication to the less fortunate members of our community.

Our district is well represented in the foundation. Currently serving as trustees is lead trustee 2VDG Lion Christy Kroell, PDG Lion Al Kroell and myself Lion Kelby Hargrave. Joining us as advisors the first step to becoming a trustee are 1VDG Lion Falguni Patel, Lion Craig Austin, Lion Neal Johnson and Lion Robert Lee. Lion Kelby Hargrave was also voted in as 2nd Vice President.

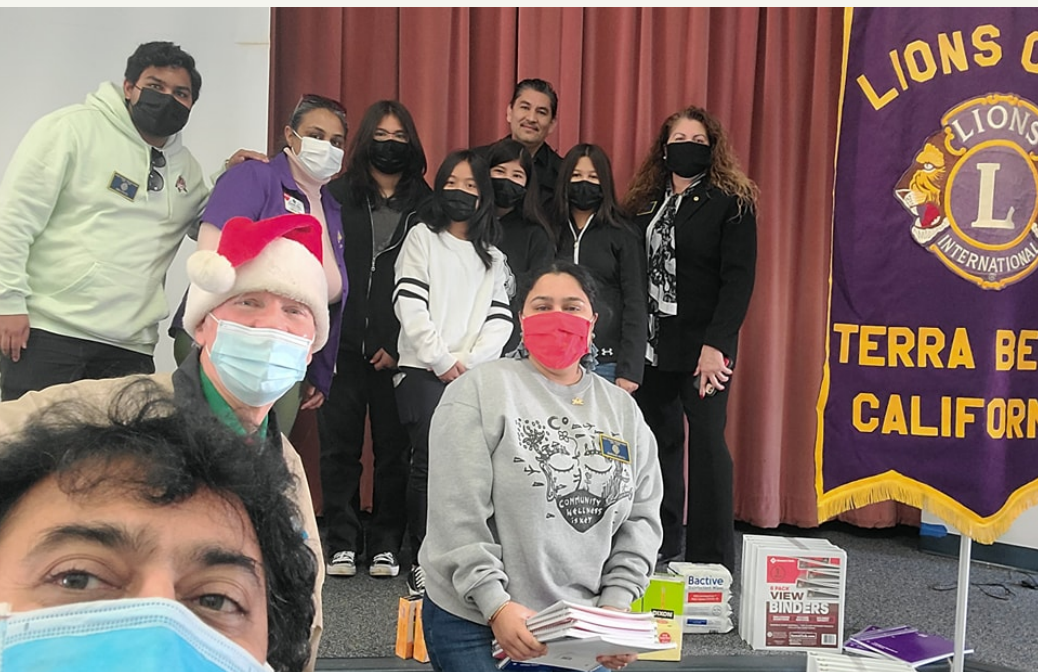

Funding for the foundation comes from many different sources. Club donations, Memory donations, Fundraising projects, Grants, Bequests, Stanaway and Helen Keller awards. All of which are down as can be expected during this time with clubs trying to navigate the world we find ourselves in. But one thing that isn't down is the need. So, I would implore you to open up your wallet and make a contribution to LEF today! Get that long term member a plaque of recognition with a Helen Keller award. Do your part to be a knight of the blind!

In Service, Lion Kelby Hargrave

IMPACT REPORT

OUR STORY SO FAR

OUR MISSION/BACKGROUND

As with the Lions Clubs International motto is "We Serve," West Coast Indian Cyber Lions Club's (WCICLC) mission is to serve with "love, care, respect, and peace, as kindness matters!"

WCICLC is one of a kind club, because it was revived after Terra Bella Lions Club closed down, and became a specialty cyber club, with members from Kings, Fresno, Tulare, and Madera Counties respectively. Furthermore, while the name suggests "Indian," our club welcomes and is open to all the demographics. Our members range from Leo-Lions, to individuals, family units, and couples in service, coming from various professional backgrounds as well. We have only operated under WCICLC since 2018 (originally chartered in 1964), but the club has been involved in different projects, either hosting health camps, food distributions, blood drives, backpack distributions, fundraising at the Blue Angels airshow, etc. We take great pride in our developing, yet mighty club, and hope to continue making impact in our communities in the coming years.

***Pictured above are few members from the original Terra Bella Lions Club from 2013.**

ABOUT TERRA BELLA

Terra Bella is an unincorporated, Census designated place, located in Tulare County, CA. Currently the population is at 3,310 and has a total area of about 2.7 sq. miles. The demographic makeup of Terra Bella include about 93% Hispanic or Latino, 6% White, and other races for about 1%. Next, looking into the school going population, the educational attainment, results at where more than 50% is at high school or less, about 2% have a Bachelors, and even less for other higher education. The Terra Bella Unified School District only has the one elementary school and the middle school, totaling at 831 students. Furthermore, looking into the economical data, the community is largely served as a water irrigation district and its top industries are in agriculture, grocery and produce wholesalers, healthcare, and education. Taking consideration of all facts, it reflects that there is a need in the community, but also an opportunity for Lions to invest in.

Consequently, the step we have taken to invest in this small, rural community, is a start of an impactful relationship we hope. Our goal is to make the community feel empowered and continue to work together to create a lasting change.

Very often times, especially, areas within the Central Valley are overlooked, but this is why it reminds us as a service organization, as to why we serve our local communities, which then collectively adds to the overall betterment of communities around the globe.

OUR PROJECT TIMELINE

1

IDENTIFICATION OF GRANT BENEFICIARY

As soon as we were shared this opportunity, we knew it would be perfect to apply as the need was present. Thus, our next step was to identify the grant beneficiary, who would benefit the most and one thing we knew for sure was to choose a rural community even within the smallest towns, and ultimately, chose the Terra Bella community, which only has one middle school in town, the Carl F. Smith Middle School, with about **275 students**.

2

RELATIONSHIP BUILDING

Once we identified our beneficiary and after the introductions, our next step was to build a relationship within the community, and what better way, than via a school. Additionally, as known, Terra Bella Lions converted to WCICLC, so it was our duty to reintroduce ourselves and reconnect with the community, for which the Terra Bella Lions had served previously for over 50 years! We wanted to honor that and more, while creating a new partnership.

3

APPLY! ACCEPT! SHOP!

To continue the application process, we asked our point-of-contact, the Superintendent, how we can better utilize this grant funding. He then suggested that the middle school had the utmost need and specifically asked the teachers, which supplies. He then forwarded us the list, and once we were approved of the grant, we started the shopping. We wanted that each of the 275 students should receive *at least* one item of each school supply listed. Thus, for purchasing the supplies, we were aware of the delays caused by COVID and the holiday seasons, so we did our research, and purchased via different warehouses. And we did face some shipping delays, but made sure to communicate to all parties involved and did set a final deadline, which was fulfilled thankfully.

4

IT'S DISTRIBUTION DAY!

The day is finally here! Lions and Leo-Lions, and 1 IPDG from Hanford Breakfast Lions Club, have joined together and departed early to reach by the break time the students have. Members traveled from all areas in the region (the beauty of being a cyber club), and our total miles combined was about 310 miles. As pictured in the first page of the report, luckily the weather was perfect, with perfect sun, light blue clear skies, and beautiful scenery of farmlands and the Sierra-Nevadas in the back. Once we reached, we were warmly attended by the Superintendent, students, staff, and teachers. Our President couldn't join, but our VP SAM and Lion Falguni (CLF Director & Associate member), took the lead and did the introductions, as well as, shared briefly about Lions and CLF. We then concluded with photo ops with few students, teachers, etc. We also got the chance to meet with the student leadership council and share some wisdom. Overall, it was an incredible opportunity and a start of a working relationship. We even had few teachers interested in joining our cyber club!
